### PURPOSE OF STUDY

THE PURPOSE OF THIS STUDY IS TO EXPLORE THE PERCEPTIONS AND EXPERIENCES OF NURSES WHO CARE FOR CRITICALLY ILL PATIENTS IN RURAL HEALTHCARE SETTINGS. WE SEEK TO UNDERSTAND HOW THE SERVICES AND RESOURCES AVAILABLE TO RURAL HOSPITALS, AS DIRECTED BY PROVINCIAL GUIDELINES (ONTARIO HEALTH, 2025), INTERSECT WITH THE LIVED EXPERIENCE OF NURSES CARING FOR A CRITICALLY ILL PATIENT IN A RURAL HOSPITAL. WE ANTICIPATE THIS PERSPECTIVE WILL FACILITATE FURTHER RESEARCH INTO STRATEGIES TO SUPPORT NURSES AND HEALTHCARE SYSTEMS IN MANAGING THE CARE OF CRITICALLY ILL PATIENTS.

ETHICS APPROVAL HAS BEEN
